Planting a Brighter Future!

Leila Arboretum Children's Garden

Hours of Operation

Closed for the season, open again April 2013.

Our one-acre garden is an ever-changing environment where children can explore the world of plants. Using all the senses, children will have the opportunity to investigate plants, vegetables, flowers, and much more!

Now is the time to schedule spring and summer programs in the Arboretum and Children's Garden. Programs are available for Scout Groups, Home schoolers, Play groups, School Field trips, and more!
